SWOP DON'T SHOP

What's is it?

A clothing exchange is a place where you bring clothing that you no longer want or need and swop it for something that you do. In these days of fast fashion with tonnes ending up in landfill, we're joining the fashion revolution and asking people to swop not shop for a good cause.

Simple!

How does it work?

You bring 5 items, good quality and clean of course. You're given 5 tokens and then you go and search our stock for something that you want. You can choose one item for every token you have. You take your items to our checker who'll take your tokens in exchange and that's it.

Easy!

What can I swop?

Any women's clothes, shoes or bags are welcome, but they must be in good condition and quality. Think; nearly new, new unworn and quality vintage. It's **not a jumble sale**. There'll be an eagle-eyed checker on the door to reject low quality or damaged items. **No bobby jumpers!**

Fair!

Is there a charge?

There is no charge for any of the items, but we charge an entry to the event to cover our costs and to help raise funds for Friends Of Redcatch Park, which will help with their efforts to keep the park up to scratch for everyone. Council cutbacks mean it's more important than ever.

Worthy!
